

DON'T BLOW IT

IDIOM: TO RUIN OR WASTE AN OPPORTUNITY

**John's basketball team was in the championship.
John was the leading scorer, a scoring machine.**

**John couldn't stop thinking about it,
even while snow blowing the sidewalks.**

Dang, the blade is stuck!

**John reached in with his bare hand to clear it.
John forgot to turn off the machine.**

Poor, John. He really did have a good shot.
